

Seminário Internacional EDUGest:

# Gestão Escolar e Melhoria das Escolas

EDUGest International Seminar:

*School Management and Improvement*

**19.07.2019**

**EDUGest's Project – School Leadership and School Improvement**, is financially supported by Fundação Belmiro de Azevedo, and it's a project that intends to study leadership with the perspective of three key dimensions: **i) leadership and management structures of Portuguese schools; ii) school leadership and management practices** and **iii) classroom leadership and management**. This project combines both quantitative and qualitative methodology of research.

In this International Seminar, some of the results and products from this Project will be presented and discussed with the audience. The Seminar will also count with the presence of international relevant researchers in the school leadership field: **Philip Hallinger** from University of Mahidol, **Joaquín Gairín Sallán** from Universitat Autònoma of Barcelona and **Mireia Espuny** from Universitat Internacional of Catalunya.
